

JEEP directions from South (SLEX)

(1) If you boarded a Jeep from the south (Alabang, Sucat, Bicutan, Merville) Ask the driver to drop you off at Magallanes in front of Wells Photo. From there walk over to Rodriguez ave. You can also ask to be dropped off at Rodriguez ave., but it is recommended that you just get off at Wells Photo so as not to get lost.

(2) Once at Rodriguez avenue, you should be able to see a sign on that corner "To DOTS". That is Rodriguez avenue. You can take a 5-minute walk or a pedicab that can take you to Emmanuel Residences

(3) Walk or take pedicab to Emmanuel Residences which is at the corner of Rodriguez and Gen. Del Pilar. It is the beige colored building right beside the Brgy. Bangkal Health Center. The studio is on the Gen. Del Pilar side of the building.
